

Thursday, 1st April 2021

Dear Parents and Carers

End of Term

As you are aware, the spring term ends today and this is your child's last day in school before the Easter break. I would like to take this opportunity to thank you for your continued support. There have been a number of challenges to overcome, including a lengthy stint of home learning alongside the children's transition back into 'normal' school life. I really appreciate your efforts in supporting your child with the return to school and with the new routines and arrangements we have put in place.

Routines

We plan to keep as much as possible the same for the children when they return after Easter for the summer term, so our morning drop off and afternoon pick up arrangements will continue for the foreseeable future. I thank you for keeping your distance at these times, for wearing your face coverings and for minimising your time on the school site; I ask that you continue to do these things when school re-opens.

After School Clubs

The after school clubs that we have been running this half term will continue until Whit; they will start immediately after Easter during the week beginning 19th April.

Letter from Halton Borough Council

A letter for parents from Halton Borough Council is attached; this includes some updated guidance from Public Health.

Thank You

Thank you once again for all you have done to support your child and the school. It means a great deal to me and the staff to know that you are working with us to keep the children as safe as possible and to support them with their learning, wellbeing and health.

I hope you all have a lovely Easter break and I look forward to seeing you when school re-opens on Monday, 19th April.

Stay safe and look after yourselves.

Yours sincerely

Richard Harley
