Dear Parents and Carers,

Welcome back to school and on behalf of all the staff I would like to wish you all a very Happy New Year! I hope that you all enjoyed the festive period with friends and family and for those of you who maybe didn't have the happiest of times, I hope that you were able to find the support and comfort that you needed.

Christmas and New Year can be very difficult times for some of us and we should all try to look out for our neighbours, family and friends who may be bereaved, alone, struggling with their health or just simply finding life a little tough. If any of you need a listening ear or think that we can help to signpost you in the direction of support, please come into school for a chat.

It is all back to normal in school and we are getting our heads down and working towards our targets. It is really important that you continue to support your children by encouraging them to complete homework and to practise their reading every night.

Most after school clubs for the Spring Term will start next week. To book your child onto a club please use the parent app as usual, these will be available to book from early next week. If you sign your child up for a club they must attend every week for the whole term unless they are unwell. Other children miss out or staff give up their time for no reason if those who have signed up do not attend.

An Epiphany Blessing

Be yours this Epiphanytide and always
