Dear Parents and Carers,

Welcome back to school for our summer term. We have been off to a flying start with African Drumming for Year 5s, a trip on the bus to St Mary's Church in Hale for Willow class, an NSPCC workshop for Oak Class, a Junior Safety Officer Meeting and a Sleep and Screen Time drop in session for parents. A big thank you to those parents who attended the session and who continually support our events in school. It has also been Science Week in school and all classes have been having fun taking part in experiments and investigations and also trying to win a competition by naming as many of the scientists who are displayed around school as they can.

Attendance

This week whole school attendance was 92.7%. Another positive increase. Let's keep this going! Beech Class won best attendance with 95.3%. Beech class have won another letter and now have HERO so will be having another non uniform treat day. This is a brilliant result Beech class you are acing it at the moment!

For those of you who had attendance target letters, next week is the last week of the target period. We will be working with the Education Welfare Officer to ascertain who has made good progress or even met their target and we will be making arrangements for the next course of action for pupils who have not made sufficient progress to improve attendance. Letters will be sent out to inform you of the outcome.

Getting your child to school really matters. Did you know...

If your child's attendance during the school year...	Your child would have lost approximately...	or they would have missed approximately...
was 95%	9 Days from School	50 Lessons
was 90%	19 Days from School	100 Lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

You should not take your child on holiday during term time. Please encourage punctuality to maintain school attendance.
Remember Absence = Lost Opportunity
