Dear Parents and Carers,

We are very proud of our Year 3,4 and 5 pupils who have been out representing the school at sporting events this week. As always their attitude and sporting behaviour was superb and we had lots of positive comments from teachers at other schools. Thank you to Mrs White who is fast becoming our sporting lead and who has accompanied both groups this week! As the sun has been out we have been able to enjoy more outside learning and when it is possible the children will eat a picnic style lunch outside if they want to. Year 2 have started their SATs this week. We are always very careful that they are not stressed or worried about these assessments and so far they have taken them completely in their stride. Some of them are really enjoying them! Mrs Bennett will complete all assessments with the Year 2s by the end of next week. Keep up the great work everybody!

We are still looking for somebody to be a parent Governor at Halebank. This is a crucial role and we are keen to recruit in time for September. There are some time constraints associated with the role but it can be incredibly rewarding too. Please contact school if you are interested and would like to find out more about this role.

Mr and Mrs Boon are impressed with everyone this week as you have all helped to keep our school clean and tidy. Treats for all!

Family knows your flaws but loves you, anyway.

Love your family as you love yourself.

Family makes you who you are and who you aren't.

God wouldn't have given you a family if He didn't think you needed it.

Family is the heart of a home.

Have a happy and healthy weekend and look after each other.
