

Halebank Church of England Primary School

Governor Profile: Haley Roach

Name	Haley Roach
Category of Governor	Chair of Governors Co-opted Governor
Term of Office	From 24/02/2024 to 23/02/2028
Work	Teaching Assistant/ Teacher
Governor Experience	I have been a governor at Halebank C of E Primary School for 8 years. I began as a parent governor and link governor to the EYFS in 2016. I became Vice Chair in 2019 and Chair of Governors in 2020.
Hobbies and Interests	Most of my spare time is taken up by my family and their hobbies. We spend a lot of time at football and boxing. I have recently taken up Thai Boxing to keep myself active. I love organising and decorating small events for family and friends and enjoy making things. I am a big cricut fan. I also love to experiment with cake decorating.
Links to the school/area	I Have lived in Widnes for 15 years and I have family who live here in Halebank. I have two children who have both attended Halebank. I volunteered at school for 4 years during my teacher training, during this time I built strong relationships with the staff, children and lots of the families in Halebank.
Why did you become a governor?	At the time, both of my children attended Halebank and I was keen to support the strategic direction of the school to ensure the children at Halebank are given the very best start in life with opportunities to enrich their young lives. It has been quite a journey and I am excited to be a part of our journey towards excellence.
