Headteacher message

Welcome to our summer term at Halebank C E Primary. We are experimenting with new formats for our newsletter to make sure that you get all the information that you need in the most helpful way. Any feedback would be appreciated.

We are busy getting ready for national assessments in school and would like to take this opportunity to wish our Y6's in particular lots of luck in their tests. All our children have been working so hard practising all that they have learnt in readiness to shine as brightly as we know they can.

At Halebank it is important to us that we provide as many life opportunities as we can for the children and with that in mind, we are in the process of organising some school trips for this year and next. More information will follow soon.

Please remember that all aspects of life here are recorded on our Twitter (X) feed. Please follow us to see all our exiting events!

Please continue to support your child's learning at home. Share a story, test them on their tables, ask them what they have been studying in school or watch a documentary together.

Have a peaceful weekend.

ATTENDANCE

Ice cream treat for all on Tuesday as we reached 96% attendance last week! We have done it again this week so may have to think up a new reward!!!

Huge well done to Year 3 and Year 5 who achieved a weekly 100% reward today 😊 Both year groups will get extra playtime on this lovely sunny Friday.

Rec, Y2, Y3, Y4, Y5 and Y6 have all won a letter towards their non uniform HERO treat.

Poetry Buzz

Last week three of our pupils represented the school at the Poetry Buzz in Widnes. Thank you to Lottie, Pippa and Thomas W who were brave enough to get up on stage in front of children and adults from lots of different schools. We are also very excited to announce that some of our children were selected to have their poems put into an anthology compiled by Paul Delaney who worked in school with them earlier this year. Congratulations to Lottie, Thomas W, Oscar M, Sienna, Stan and Amelia W. They all received a copy of the book and a certificate.

Our thought for the week

Belonging

"A deep sense of love and belonging is our universal need. We are biologically, cognitively, physically, and spiritually wired to love, be loved, and belong. When those needs are not met, we break, fall apart, and hurt."

Dear Lord,

Give us new strength so that we can build places of belonging: To create a community for all to share their gifts, To know that each of us is loved, To help us to see the light of Christ in all that we serve. Let us remember that each of us is loved, each of us is willed and each of us is necessary.

Amen
