#### Part A: Curriculum music

All children are taught by a Music Specialist Teacher (Mrs Andrea Price) weekly for 30 minutes. KS2 participate in weekly 45 minutes sessions of Music and Movement with Early Music as Education (EMAE).

- Link to website for curriculum plans
- Our music curriculum is informed by the [model music curriculum](#) (March 2021), but linked to other areas of the curriculum, making cross curricular links to enhance children's learning.
- The foundations of our Music lessons are through singing and this begins in Reception. We develop the singing throughout the school and include opportunities to perform, to build confidence in this area. We identify and learn key elements of music and integrate knowledge through our songs. As children progress through school we add harmony into our songs and children maintain independent parts. At the beginning of KS2 all children begin their instrumental journey with whole class recorder. This continues in Year 4 with the addition of some children taking up a woodwind instrument alongside the whole class recorder. In Year 5 all children learn the ukulele and read from notation. At the end of each academic year we have a musical extravaganza, which showcases all of our instrumental work and the finale includes all instruments performing together. Children who learn an instrument also aim to take ABRSM music exams.

- We have loaned woodwind instruments (clarinets and flutes) from our local music hub (Resonate formally Accent) and have the opportunity to participate in hub events and CPD.

## Part B: Extra-curricular music

We have small group and 1:1 music tuition in flute and clarinet.

1 x 3 children clarinet

1 x 3 children flute

1:1 clarinet

- All children are aiming for ABRSM exams

KS2 after school choir

Our music offer outside of music lessons is free of charge for children. Children receiving instrumental tuition are provided with an instrument and a space to rehearse in school, either in small groups or 1:1.

We have an independent music specialist that provides our instrumental tuition and our instruments are on loan from our music hub.

## Part C: Musical experiences

We provide our children with lots of opportunities throughout the year to perform both in and out of school as well as experience live professional performance.

- Young Voices at CoOp Live Arena for KS2 children January 2025
- Music Extravaganza whole school concert June 2025
- HPAN performance The Brindley Theatre February 2025
- Halebank's Infant Music Show May 2025
- KS2 end of year production July 2025
- EYFS/KS1 Nativity December 2024
- Christmas Carol Concert KS2 December 2024
- KS2 to watch Aladin production at Empire Theatre Liverpool December 2024
  
- All musical events and performances are free of charge for our children. School subsidise any costs.

## In the future

At Halebank we believe we deliver high quality music provision. We continue to strive to give our children every opportunity to experience and participate in musical performance. We aim to encourage all children to participate and appreciate all areas of music and have a love of music.

We are going to increase the number of instruments that we have in school so we can give more children the opportunity to learn to play an instrument.
