Dear Parents and Carers,

What an amazing week we have had!

Our transition days on Monday and Tuesday were very successful with all children settling well in new classrooms or working with new staff. Teachers and pupils were all happily engaged in a range of activities and school was a really positive place to be. Our Year 6 pupils all went to visit their new high schools and they also came back happy and smiling and talking about their experiences.

Class 4 were very lucky to have had the opportunity to go to the theatre in Liverpool to see School of Rock. They got taxis and then a train to get into Liverpool before they even arrived at the theatre. The staff who went with them reported on their excellent behaviour at all times and said that they were proud to be with them. Staff and pupils had a real 'buzz' when talking about School of Rock and clearly they all had a wonderful time. Teachers said that it was wonderful to see the excitement on the faces of all the children as they got up to sing and clap and join in with the experience.

Thanks to Andrew our drama specialist and Mrs Bennett we were able to put on a show of our own this week. For those of you who have had the opportunity to see The Rocky Monster Show I am sure you will agree that it was a fantastic experience. I was truly amazed and quite emotional watching our pupils sing, dance, act and generally perform with such enthusiasm and talent. Every one of our KS2 pupils had a role and they shone brightly as we knew they would. I would like to thank Andrew and all the staff here who have willingly given up their time to enable the performance to take place. Thank you for your support as always. More shows will definitely be on our agenda for next year!

Personal Development Strengths

We have seen our children demonstrating all our strengths this week at various times. It is clear that they are aware of our school strengths and are working really hard to consider them in all the things they do.

Strengths

Creativity
Resilience
Responsibility
Independence
Empathy
Kindness
Honesty
Ambition

If you are aware of your child demonstrating any of these strengths please acknowledge and praise them!

STARS OF THE WEEK

This week we have decided to nominate all the children to be our Stars of the Week. They have shone in every way possible and we couldn't be prouder of each and every one of them. The KS2 performances have been incredible, Class 4 were brilliantly behaved when they got the train into Liverpool to watch School of Rock at the theatre and every single child wowed us during the transition days by coping so well with all the changes.
