

***'Let your light shine.'***

Matthew 5.16

In order for the children to connect their learning in a meaningful way, our curriculum has been based upon four themes.

Me

My World

How My World  
Works

Me In The World

We have combined the National Curriculum, locally based topics and current issues to ensure we address the needs of the children and ensure our curriculum intent is delivered.

If you wish to find out more about our curriculum please contact Mr Harley or Mrs Bennett.
