

Halebank Church of England Primary School

Governor Profile: Haley Roach

Name	Haley Roach
Category of governor	Chair of Governors
Term of office	29/9/2020- 28/9/2021
Work	Teaching assistant/teacher at a primary school in Halton
Governance experience	I have been a governor at Halebank C of E Primary School since 2014. I began as a Parent Governor and Link Governor to the EYFS. I became Vice Chair in 2019 and Chair in 2020.
Hobbies and interests	My spare time is taken up by my family and their hobbies. We spend a lot of time at football and boxing. I enjoy family fit with my youngest son. When we can get out and about we spend time outdoors, particularly walking, finding locations for my partner to launch the paramotor which is quite a show!
Links to the school/area	I have two children who have both attended Halebank Primary School. My youngest is currently in Key Stage 2. I'm not a resident of Halebank, although I do have family who live here. I volunteered at Halebank for four years during my teacher training. During this time, I got to know the staff and lots of the children and families.
Why did you become a governor?	At the time, both of my children were at Halebank Primary School and I was keen to support the work of the Governing Board and staff and be a part of influencing the school's direction.
