

Halebanks Church of England Primary School

Governor Profile: Richard Harley

Name	
Category of governor	Headteacher
Term of office	From 1/9/2019
Work	I am the headteacher of Halebanks Church of England Primary School. I have been in the teaching profession for over twenty years and this is my second headship. I have previously worked as a headteacher, deputy headteacher, senior leader and class teacher in schools located in Cheshire West and Chester, Manchester and Bolton.
Governance experience	I have held the position of Teacher Governor in three different schools and am now a member of the Governing Board as headteacher.
Hobbies and interests	I very much enjoy being outdoors and like running, cycling and walking. I love spending time with my family and also enjoy playing the keyboards.
Links to the school/area	While I am fairly new to Halton, I have spent my whole teaching career working in schools in the north west of England. I am enjoying working in a new Local Authority and getting to know the school community here in Halebanks.
Why did you become a governor?	It comes with the job! It's a great opportunity to work with a range of local experts to help shape and develop the direction of the school.
