

Halebank Church of England Primary School

Governor Profile: Ann Boon

Name	
Category of governor	Staff Governor
Term of office	From 1/10/2020 to 30/09/2024
Work	I work at Halebank Church of England Primary School as a midday assistant, a cleaner and with office support. I love working at the school, especially with the children!
Governance experience	This is my second term of office. I have experience as a Health and Safety Governor and I represent the views of the staff on the Governing Board.
Hobbies and interests	I love walking when I get the chance; I am often seen around the school checking my daily step count! I enjoy relaxing with my family and watching classic films. My favourite actor is Carey Grant. I am also involved with The Andrew Curphey Theatre Company and I support the safety and supervision of Widnes Youth.
Links to the school/area	I am very much a part of the community here in Halebank. In addition to my school-based responsibilities, I have many years' experience working in the local youth club. I live locally and have done so for the whole of my life. There is a strong sense of community in Halebank and I enjoy this.
Why did you become a governor?	I feel I have lots to offer the school as a governor and I am able to represent both the staff team and the community within the Governing Board. I feel it is important that I help develop and shape the vision for the school's future.
