Friday 18th November

Dear Parents and Carers,

Thank you to our pupils and parents who held the school banner to proudly represent our school community at the Hale Remembrance Parade last Sunday. We are very grateful to you for your attendance and support. We would like to invite all parents/carers and pupils to use our remembrance area in school whenever they would like to.

"We will remember them"

Attendance

Thank you to you all for continuing to support the school in our attempts to improve attendance and learning opportunities for all our pupils.

Last week whole school attendance was 92.5%

Cherry class won the best attendance treat. Their attendance of 97% won them an extra 10 minutes playtime and another star towards their Halebanks Attendance Hero reward.

Attendance certificates are being sent out today to all those who have attendance of 95% and above. Even if you have already received a letter informing you that your child's attendance since September has fallen below 95%, your child may receive a certificate for the month of October if attendance improved during that time.

Rugby

Some of our Year 3, 4, 5 and 6 pupils were lucky enough to play in a tag rugby tournament at the Stadium this week. They had a great time meeting some of the players and having training sessions with them. The children made us very proud as they always do and we had a lot of positive feedback from staff and players who were at the event. Well done to all those who played and represented us on the day – you showed great resilience, sportsmanship, character and determination!

Anti-Bullying Week

We have engaged in lots of different activities this week and talked a lot about friendship, kindness, types of bullying including cyber bullying and strategies to deal with bullying in all its forms. There is a great deal of useful information to be found by following these links.

Oak class have won the award for tidiest classroom this week and are starting to demonstrate respect for their classroom and resources and developing independent skills at the same time. As they have won this award so many times since September I have decided that they deserve an extra reward so as well as the trophy staying in their classroom for a week they will have the opportunity to negotiate with me about an additional treat.
